SUMMARY

Enthusiastic entry-level professional driven by continuous learning and adaptability in evolving technical environments. Quick to grasp new concepts and eager to enhance skills through hands-on experience. Looking to contribute effectively to team objectives while building a strong professional foundation.

EDUCATION

- Bachelor of Technology (CSE - Data Science), Nalla Narasimha Reddy Education Society's Group of Institutions, Hyderabad (JNTUH) — 2025 | CGPA: 8.59
- Board of Intermediate Education (Class XII), Sri Chaitanya Junior College — 2021 | CGPA: 9.2
- Secondary School Certificate (Class X), St. Alphonsus High School — 2019 | CGPA: 8.3

SKILLS

Python, HTML5, CSS3, Bootstrap, JavaScript, Django, AngularJS, SQL, Tosca Automation Tool, GenAI, Java.

TRAINING & INTERNSHIP

Quality Thought	Python Full Stack Development	Sep 2025 - Present
Innomatics Research Labs	Data Science Intern	Sep 2024 - Nov 2024

PROJECTS

- Smart Sentiment Analysis of YouTube Comments.**
Built a sentiment analysis model for YouTube comments to classify viewer emotions and generate downloadable PDF reports for quick insights.
- Extracting Keyphrases from Scientific Content.**
Built a Flask-based GenAI app using KeyBERT to extract and explain key terms from scientific text, aiding faster comprehension for researchers.
- AI Tutor - Personalized Data Science Guidance**
Built an intelligent chatbot tutor using API, trained on Data Science content to provide domain-specific answers, explanations and guidance in natural language.

CERTIFICATIONS & ACADEMIC ACHIEVEMENTS

- “Pragati: Path to Future – Cohort 3”* certification from **Infosys** in collaboration with Springboard.
- “Advanced Data Analysis Internship Program”* certification from **Innomatics research labs**.
- “Advanced Analytics with Power BI”* certification from **Coursera**.
- “Advanced ML and GenAI Internship Program”* certification from **Innomatics research labs**.

SOFTWARE UTILIZED

Microsoft Power BI, Excel, VS code, MySQL workbench, Gemini API, Hugging Face, Postman, Github.

DECLARATION

I hereby declare the above is true and best to my belief and knowledge.
